

Directions to Forensic Software Limited

From M25, Junction 10

Exit the M25 at Junction 10 on to the A3 towards Portsmouth. Follow the A3 for approximately 1 mile and leave at the exit signposted Ripley (B2215). Follow this road through Ripley. The road ends at a roundabout adjacent to a Shell Garage. Turn left at this roundabout signposted A247 West Clandon and follow the road through West Clandon village. This road ends in a crossroads with the main A246 from Guildford. Cross over this road to join the A25 and climb a steep hill towards Newlands Corner. Follow the road down the hill and at the bottom there is a junction with a right turn marked A248 Albury.

Follow this road into Albury. Albury Lodge is a white building on the left approximately 1 mile from the junction. There is a Forensic Software sign at the entrance.

Once you are in the grounds, drive around to the rear of the large building and park next to the Lodge.
